PROFESSIONAL SUMMARY

Front-End Developer with **6 years of experience** in building responsive, user-friendly web applications using **ReactJS**. Offers hands-on experience with **Node.js**, strong problem-solving skills, and a collaborative approach. Skilled in coding, debugging, and optimizing systems to deliver impactful, high-quality results.

WORK HISTORY

Stars AI - Senior Front End Developer

UAE (Remote)

10/2024 - Current

- Enhanced application scalability front-end architecture and best practices.
- Improved website security with implementation of best practices.
- Collaborated with back-end developers to improve website functionality and integrate new features.
- Improved user satisfaction by incorporating feedback into UI updates.

Samaritan Technologies - ReactJS Developer

Lahore, Pakistan

12/2022 - 10/2024

- Maintained high-level expertise in React state management strategies.
- Modernized legacy applications through the implementation of React best practices and updated libraries.
- Reduced application load times by optimizing React components and utilizing code-splitting techniques.
- Conducted code reviews to maintain high-quality standards and optimized web applications for speed and scalability.

JMM Innovations - ReactJS Developer (Outsourced)

Saudi Arabia (Remote)

05/2024 - 09/2024

- Spearheading front-end development to simplify and enhance the process of establishing business firms in Saudi Arabia.
- Designed REST calls using React to streamline user interface performance.
- Implementing scalable and robust while adhering to industry best practices and coding standards.
- Collaborated with cross-functional teams to develop seamless integration of APIs, improving data flow within applications.

NFinity Solutions - Front End Developer

Lahore, Pakistan

12/2018 - 12/2022

- Facilitated smooth version control processes by utilizing Git workflows for efficient team collaboration on projects.
- Developed user interfaces for deployment on Amazon Web Services (AWS) platforms.
- Assisted in scoping project requirements, providing accurate time estimates for feature development to ensure timely deliveries.
- Updated old code bases to modern development standards, improving functionality.

EDUCATION

09/2017

Hazara University Mansehra

BS: Computer Science

PROJECTS

- StarAi:** <https://stars-ai.com/>,
